Following the March 19 Board meeting, District Attorney Joe Bennet contacted Sound Transit with a counteroffer to sell the entire parcel to Sound Transit in fee for $16,000 plus his attorney’s fees. District Manager Diane Pottinger reported on her attendance at the Operating Board meeting. Discussions began regarding both the regional CIP and the reopening of the wholesale contracts with SPU. Ms. Pottinger suggested that stakeholders may want to caucus before the next Operating Board to discuss their priorities and concerns regarding the contract reopening. Ms. Harrington is working with Ms. Pottinger to draft the plan and hopes to bring it for Board review at the April 15 or May 7 meeting. The Water Use Efficiency Rule requires that the conservation goal be reviewed and approved in a public process.
