## Low Income Reduced Water Rate Program

North City Water District is offering a rate reduction to eligible low-income persons. For qualifying applicants, the bi-monthly base water rate will be reduced by 50% of a single family 5/8" x 3/4" service rate, regardless of meter size. For example, the current 5/8" single family residence meter base rate would be reduced from \$51.47 to \$25.74 on each bi-monthly billing. Actual water usage will continue to be billed at the regular step rate amount.

## Qualifications

1. Applicant must be the person responsible for payment of the water charges, (if you are a Tenant, the account must have a signed "Landlord/Tenant Agreement" between the owner and North City Water District.
2. Applicant must reside where the low-income rate is being requested.
3. Applicant's residence must have a separate individual water meter.
4. Applicant must sign an application form under penalty of perjury accompanied by appropriate documentation.
5. Applicant's combined household gross income from all sources, excluding children under eighteen, for the previous year (2019) did exceed the dollar amount listed below based on the size of the household.
